

Associate in Applied Science in Nursing (RN)

Program Overview

The nursing program at Southwestern Michigan College is committed to providing quality nursing education to students that will benefit clients, employers, and the dynamic and diverse community. Graduates will successfully embody the ability to promote human well-being by exhibiting sound nursing judgment and demonstrating an inquiry in practice during the continual development of their professional identity in a culturally diverse society. Upon successful completion of the four-semester program, the graduate will be eligible to sit for the National Council Licensure Examination (NCLEX).

Degree Requirements

This is a competitive admission program. Potential students will need to submit an application and be accepted into the nursing program prior to taking any NURS courses. To earn this degree, students must have an overall GPA of 2.0 or higher, complete a minimum of 60 credit hours, and fulfill the course requirements of the program listed below. Each prerequisite course and major-specific course must be completed with a grade of C or better (BIOL 214 with a grade of B- or better). Clinical courses require a final grade of PC (passing).

Course Offerings

Students pursuing an Associate in Applied Science in Nursing may complete select courses for this program online. Courses within this program may also be offered on-site at our Dowagiac or Niles campus.

Additional Notes About the A.A.S. in Nursing (RN) Program

- A prerequisite course may be needed prior to enrollment in some courses within this program. Specific prerequisite requirements are listed in the Course Description section in the Course Catalog. A summary of the prerequisites is listed below in the Example Course Sequence.
- This program as outlined does NOT meet MTA requirements. Students would need one additional communication course, one additional social science course (non-PSYC), and two humanities courses. If interested in the MTA, students should seek help from an advisor for course selection.
- Courses taken out of sequence may delay a student's ability to complete the program in a timely manner. Please consult your advisor regularly.
- Each student should submit a graduation application at least one full semester before they plan to graduate.
- This program is subject to change. Students should consult with their advisor for program updates.
